

***Families Connected***  
UNIVERSITY of WASHINGTON  
*Child, Family, and Population Health Nursing*

**Are you a parent of an infant who is 6-12 months old?**

**You may be eligible for the Families Connected Study!**

### **Who can join?**

- **You've recently had contact with Child Protective Services.**
- **You live in King, Snohomish, or Pierce County.**
- **Your child is between 6 and 12 months of age.**

### **What would I get?**

- **1 of 3 free services: (1) An in-home program to help parents with young children; (2) An online program to help parents with young children; or (3) an emailed resource packet.**
- **UW research visits online over Zoom. These visits include videotaping you and your child playing and an interview.**
- **Payment of \$75 for each of 3 research visits over Zoom (\$225 total).**
- **A chance to ask questions or get help. Our staff works with you.**

### **How do I learn more?**

- **Call Families Connected: 206-519-7330; email [klansnic@uw.edu](mailto:klansnic@uw.edu)**

***Or***

- **Talk to your CPS social worker**
